## 2021-2022 ANNUAL MEMBERSHIP

June 1, 2021

Dear Music Lovers and Friends of the Santa Maria Philharmonic,

As you know, the Phil was not able to play any live concerts during our 2020-21 concert year or present any of our in-person children's programming. But thanks to the incredible generosity of patrons like YOU, we were able to keep the lights on, and spend the year producing, recording, and presenting free digital content for our patrons and friends. Perhaps the best gift your donations helped us create were the very charming Philharmonic First Fridays at Four series of program recordings, featuring small groups of musicians playing in special, intimate settings in Santa Maria and environs. All recordings are available on our YouTube channel. Although we haven't been able to perform live and in-person this season, we have been able to keep producing wonderful music experiences for our community to Listen-Local-(almost) Live during these unprecedented times.

Looking ahead, while recordings are wonderful, live music with live audiences is our mission and passion - we all miss this tremendously. The Phil is moving forward with plans for a wonderful 2021-22 LIVE season, returning to our traditional subscription series of four vigorous live concerts with full orchestra. We will adapt our concert presentations for the upcoming season (size of orchestra and audience) as necessary to adhere to social distancing requirements in place at the time. There are no season tickets yet; those will be available closer to the fall premiere.

Our fundraising and membership drive is in full swing. You may make donations and set up your membership online at santamariaphil.org, or print and mail this membership form with a check to

Thank you in advance for your continued generosity to help the Phil play on.
