The Santa Maria Philharmonic Society is pleased to announce auditions for the *Ninth Annual Youth Showcase: an honors recital by audition*. The auditions and concert will take place at Shepard Hall in the Santa Maria Public Library 421 South McClelland Street, Santa Maria.

Auditions: Saturday January 8th, 2022, between 2pm and 5pm.

Recital: Sunday January 16th, 2022 at 4pm.

Purpose: The purpose of this event is to provide a performance opportunity for young musicians, which encourages a high level of music making. It is also intended to bring an enjoyable and entertaining concert to the public, highlighting the developing young musicians in our community. We strive to encourage camaraderie among the students, with older students guiding and mentoring the young, while the younger students find inspiration from the more advanced musicians.

Eligibility

- All instrumentalists and singers ages 8 to 18, who are currently studying privately, are invited to audition
- Those performing a solo work must have music memorized. Those performing an accompanied work may use music.
- Students will audition before a panel of qualified. The judges' decisions and selection of performers is based on the demonstrated musical and artistic merits of the student, whatever their age and ability level.
- Students may audition with multiple pieces, and judges will select music to be performed at the recital.
- The selection of performers will be based on their skill, artistry, and musicianship: anything performed artistically and musically is eligible to be selected. The intent is to create an audition experience that is positive and constructive for all the young musicians.
- Students who audition will receive written comments by the judges.
- Maximum audition time: 12 minutes.
- The decision of the judges is final.

Piano Accompanist

- If a student's piece requires an accompanist, one may be provided for the audition, recital, and for one rehearsal prior to the audition, on the day of the audition. If students wish for additional rehearsal time, these arrangements can be made with the accompanist, but will not be paid for by the SMPS.
- If a student selects major chamber music repertoire, with a demanding piano part, they are invited to bring their own accompanist.
- If an accompanist is desired, a copy of the piano accompaniment must be provided with the request form.
- We request that students and teachers carefully consider the difficulty of the piano part when selecting repertoire. Please be sensitive to the limited rehearsal time.
